

TECHNICAL YOUTH THEATRE

TUE 13 JAN - TUE 24 MAR

Have you ever wondered what it takes to bring a theatre production to life? Join **Hull Truck Theatre's Technical Youth Theatre** and explore the fascinating world of backstage work. Participants will gain hands-on experience in areas such as lighting, sound, costume, props, stage management, and set design.

Each session focuses on a different technical discipline and culminates in the opportunity to support a Youth Theatre production in Hull Truck's Godber Studio in March, giving you **real-world experience** in a professional setting.

Sessions are led by Hull Truck Theatre's production team with extensive industry expertise. Whether you're considering a career in technical theatre or simply want to learn new skills and make friends, this is the perfect opportunity. **No previous experience is required.**

Sessions run on Tuesday evenings from 6pm to 8pm, starting Tuesday 13 January, with a get-in and tech day on Saturday 14 March. Open to **young people in school years 10-13** who are curious about what happens behind the scenes.

SCHEDULE

	TECHNICAL YOUTH THEATRE	TIMES
Tue 13th Jan	Session 1	Session 6pm until 8pm

There are only 12 places available on this programme so we are asking young people to express their interest by completing the form below. Regrettably, we may not be able to give every young person the chance to take part this time but hope to run the project again in the future. Please only express interest if you are able to attend every session.

To access the form, **[CLICK HERE.](#)**

DEADLINE: Weds 17th December 2025

If you have any questions, please email: **engagement@hulltruck.co.uk** and the team will respond as soon as we can (it may take a few days.)
