

Theatre Visit: Easy Read Experience Guide

Arrive at Hull Truck Theatre.

It's good to arrive about 20-30 minutes before the show so you have time to use the toilet and get a drink, if you need to.

Collect your tickets from the Box Office if you need to. If you already have e-tickets on your phone, you don't need to go to the Box Office.

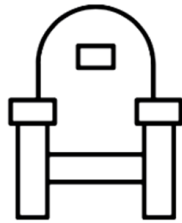

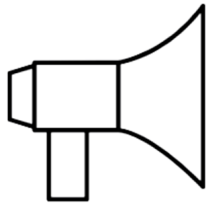

Later on, when you go to the theatre door, you will need to show your paper ticket or e-ticket to the staff.

Now is a good time to go to the toilet if you need to.

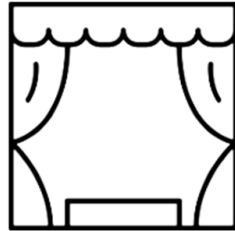

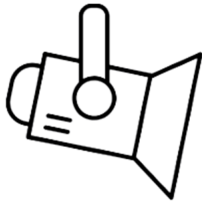

You can also get some food or a drink from the bar if you like.

You can go to your seat as soon as the theatre doors are open. There will be an announcement to tell you when this will be.

A staff member can help you to your seat if needed.

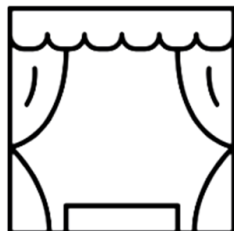

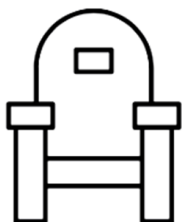

The lights will go dark and the show will start.

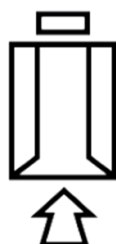

Halfway through the show there may be a break. If there is, this is a good time to go to the toilet, get a drink or buy an ice cream!

You will be told if there is a break or not.

After the break you can go back to your seat, ready for the show to restart.

The break is usually 20 minutes long and there will be an announcement when it has ended.

At the end of the show people might clap if they enjoyed it. The lights will get brighter and people will leave the theatre.
